

Veterans

Greetings Everyone,

I greet you in the name of Jesus! I pray this email reaches everyone intended, and all will be doing well. As for me, I am getting better daily; although I am not medically cleared to drive yet. For those who do not know, I had surgery on my dominant hand on February 5, 2019; and have been under care since that time. I seem to be doing well with the use of the one hand that I have! What a blessing that is.

I send this email, soliciting from you, names of **any veteran** you know of **that attended Frink High School**. In addition, I desire to know the names of veterans who, were students at Frink High and had to complete their education at North Lenoir due to integration in 1970. And finally, I request names of any veteran of our association who attended North Lenoir High School (example, Gregory Rouse Sr. and myself) we are veterans although we attended NLHS.

The list I have, is not at all conclusive, and I ask that you please, please get this information back to me by May 1st! Know you do not have to wait; you can get this information to me as soon as you know it via **text, telephone call** or **email**.

And finally, I ask that each person whom I have emailed, make contact with your classmates and or friends so we can gather as many names as possible of the Veterans of FHS and the LFAFA! We are free because of the brave! And yes, I have been working on my letter for a few days now, it takes awhile with one finger typing but, it is done!

Blessings,

E. P. Smith, ThD. President LFAFA
